Invitation

Scandinavian Open 2013, Velde Arena Norway

We are very excited to welcome all athletes, teams, officials and spectators to Velde Area, Sandnes Norway for the very first UCI Scandinavian open including the Nordic Championships competition. In addition to this race package we will host a Supercross Sunday race. Both races classified as UCI C1 races.

The track is brand new and the Scandinavian open event will be the official opening race at Velde Arena.

The arena has a double track layout, one supercross and one standard BMX path according to the new BMX rules and guidelines. The track is built by Clark & Kent Contractors.

The organizer behind this event is BMX Norway, responsible for European rounds in 2009, final rounds in 2010 and the UCI Supercross 2012.

Sandnes should be well known as Norway's capital of BMX. The city and area has a lot to offer as host for the Scandinavian open event. It is conveniently located in South West of Norway. Easy access from all over Europe with a short 15 minutes drive from the international airport Stavanger Lufthavn to city center and an additional 10 minutes to the track.

We wish you all welcome and can promise you a great BMX weekend at Velde Arena in Sandnes!

Make sure to be there!
